

YEAR 1

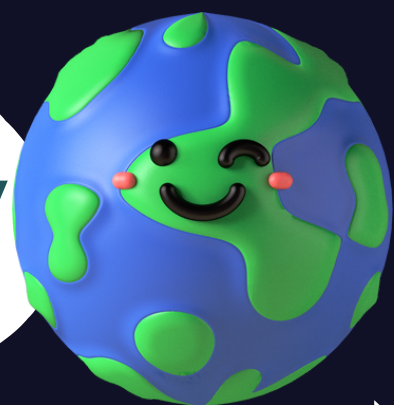

ONLINE SAFETY

IN THIS ASSEMBLY YOU WILL:

Identify devices that can access the internet.

Explore what we enjoy doing online (videos, games, connecting with others etc).

Identify when and how to ask for help from a trusted adult when using the internet.

Identify what personal information is, and why it is important not to share this online.

Understand why we ask first before downloading a new game, app or when visiting a new website.

JOIN ME BUZZ ON MY ADVENTURE TO FIND MY MISSING TABLET...
